Pauline Schuringa
Sales Representative
www.paulineschuringa.com

In 1997, George Kloet and Pauline Schuringa partnered to form The Kloet Schuringa Team with a team-based vision of providing full service to their clients, together with a commitment to excellence.

Since 2001, George and Pauline have been a top producing team, and their RE/MAX office is consistently a top producing office across Canada. Fittingly, both were guests of Newstalk 1010 CFRB and hosts Paul and Carol Mott, to share their stories on the perils of real estate.

While they each have their own independent roster of clientele, George and Pauline collaborate to the benefit of their clients.

As business partners in a dual agency situation, they are able to offer representation, to both buyer and seller, providing a sense of impartiality and confidentiality. Together, George and Pauline combine their knowledge and talents for a broad spectrum of real estate applications to serve you better.

Pauline, having owned her own mortgage brokerage firm, being certified as a legal secretary, and having worked with a design/build company in new homes sales and development, brings 26 years of realty experience to her clients.

George, prior to his realty career, founded his own company involved in the building of custom homes. With this experience he offers knowledgeable advice and consultation if needed.

Put our experience to work for you. Outstanding agents, outstanding results.

The Kloet Schuringa Team

Providing you the keys to open new doors
Top producing Team since 2001
